## SURVEY RESULTS

### Question 3

Who often do you use the various facilities of the Club?

Two schedules are provided:

- \* the 1st includes all 'frequency of use' categories, including the category 'not at all'; whilst
- \* The 2nd excludes the category 'not at all'.

The first line of data for each question is the actual number of responses for each 'frequency of use' category; and the second line is the number of responses as a percentage of total responses across all 'frequency of use' categories for that question.

Whilst the first schedule provides percentages for all possible answers (including the answer 'not at all'), the second provides percentages for each category as compared to the total actual usage of the facility being surveyed.

For example, 158 members responded they use the Dining Room for lunch once a month. This represents 23.9% of all members who responded to this question (661); and (by reference to the second schedule) 29.6% of members who actually use the Dining Room for lunch (534 respondents).

As would be expected, of the 469 members who advised they use the swimming pool, 321 (68.4%) use it at least fortnightly. Of the 534 members who advised they use the dining room for lunch: only 63 (11.8%) use it at least fortnightly; and 471 (88.2%) use it once a month or less frequently.

### BILLIARDS & SNOOKER

#### Eddie Charlton 'still one of the best!'

Eddie Charlton continued to impress the crowds in the Snooker Room with his unrivalled skills at the table, winning his first two rounds of the Calcutta despite conceding a massive 101 points to John de Mestre and 122 points to Matthew Ford.

As the tournament rapidly progresses, the room is abuzz with activity. Paddy's umpiring skills have been exercised to the limit with up to four games being played on any one day. Due to these tremendous efforts, we are completing 15 game a week on average and hence, we anticipate completing the tournament by mid August. There have been a number of surprises with a large number of new players passing through the early rounds. Some highlights of the tournament to date have included the Cox v Milliken game, in which Bruce Cox defeated Clive Milliken in an exciting and entertaining match. Other winners include Col Pearce, Eugene Piekarski, Eddie Crane and the two Twiggs, Peter and son Mark, to name but a few.

#### Special thanks to Rod Morton

The Snooker Sub-Committee is particularly thankful to Rod Morton for his generous donations of prizes for the Christmas handicap. Rod has donated, amongst other things, a beautiful cutlery

set for first place and eight pewter mugs for placegetters. In addition, he has donated a very large trophy cup to be awarded to the winners annually. These are on display in the Snooker Room cabinet, should anyone wish to view and aspire to winning these great prizes.

#### Charlton v Morgan Challenge Match

Bookings are open for the challenge match between Eddie Charlton and Paddy Morgan which will be played on Friday 8 July 1994. The match will be the best of five frames and the cost will be \$67.50 per person which includes dinner and drinks. Members are welcome to bring guests, both male and female, and dress will be the usual Club dress code ie; lounge suit for men.

### Doubles Night

After a long absence, it was good to see one of the most popular members of the Snooker Club, David Brookman, back and in winning form. David and his partner, Eddie Crane, blitzed what many would consider a dazzling field of contenders to beat Denis Pidcock and Andrew Corbett in the final of our bimonthly doubles night played on Thursday 19 May.

New members wishing to get involved in this event should contact Paddy Morgan.

### EPICUREANS

The Epicureans "Black Friday" evening was a spectacular event with members and their guests filling the Dining Room to absolute capacity - 120 people.

Many of the Epicureans from the old Club were there including a former Chairman of Tattersall's, Mr Tony McSweeney, and his family, Sir Emmet and Lady McDermott. Also several of the Club Committee attended with their wives, claiming at the end of the evening they were converted Epicureans.

One very encouraging aspect to the evening is that the Epicureans' functions are attracting a cross section of the members in terms of age. There was a strong contingent of the younger members who are seen usually in the Athletic Department.

Brokenwood Wines sponsored the evening and provided some magnificent wines.

Iain Riggs, the chief executive and winemaker of Brokenwood, was very entertaining and informative. He spoke in two segments during the night, on the background of his company and the merits of the wines we enjoyed during the evening.

The menu was highly imaginative, magnificently presented and enjoyable. Mark Wilson, the Club's executive chef, and his colleague, Paul Clyne, are to be congratulated.

The Black Friday theme that filtered through the menu added to the atmosphere of the evening.

### The Menu and Wines

- Pumpkin & Blackened Onion Soup -  
Brokenwood Sauvignon Blanc Semillon  
Brokenwood Chardonnay
- Poached Blue Eye Cod with Squid Ink Pasta -  
or  
- Char Grilled Venison with Baby Beetroot -

- Ash Covered Goats Cheese with Grapes -  
- Blood Plum Tart and Sauterne Sorbet -  
Pine Ridge Botrytis Riesling

Carolyn Birley and her team handled the swelled numbers and late arrivals with ease and professionalism.

Our special guest speaker, Mr Sinclair Hill, OBE, presented a range of diversified views combined with a delightfully humorous story of his first fox hunt in England. He is a very controversial and colourful speaker, and many of his strong views predictably could not meet with the approval of all the members and their guests. He was thought-provoking and entertaining. We do thank Mr Hill and his wife for making themselves available for the evening.

Our next special Epicurean evening is "Bastille Day" Thursday 14 July. We are planning a cabaret night - very French with twelve can-can girls, French singer and live band in the Club Room. Watch the newsletter.

### FUNCTIONS & DINING ROOM

As a member of Tattersall's Club you may not be aware of our outstanding function facilities.

Our largest room, the Club Room, is able to seat up to 300 people for dinner or lunch. It has proved ideal for many weddings and business dinners. The room can also be sectioned off to provide an intimate area for 50 to 100.

If however you are more interested in a drinks party or conference, we can cater up to 500.

The Committee Room is an elegant alternative to the Dining Room if you are a small group who would like privacy. (Dinners for 20 or drinks for 40). And don't forget that the Card Room is a great meeting place for groups from 2 to 12.

All menus are designed to your personal taste by our Executive Chef, and the Club has a very good wine list to compliment any menu.

We can take all the worry and stress away from you and organise as much or as little as you would like (the only thing we can not supply is the wedding dress).

### MEMBERS DRINKS

On the second Wednesday of each month, between 5:00pm and 7:00pm, drinks are provided "on the house" in the Club Bar. All members, new and old, are invited for Wednesday 8 June 1994 at 5:00pm.

### NOT COLUMN 8 - COLUMN 1858

#### Snooker

Members who did not attend Club Drinks on Wednesday 11 May missed something special. Mr Dean O'Kane (20th in the World Snooker ranking's) played a series of 'friendlies' against our own Eddie Charlton, who is ranked 42nd.

The skill displayed was awe inspiring. O'Kane's break of 127 was not only fast but typical of the seven frames played.

#### Swimming

- Debney beats Tonnelli -

Makes good headlines. No questions asked on handicaps but it's going to take weeks to get the smile off Russell's face.

#### Epicureans

Members and guests were asked to wear black to the Epicureans Friday 13th Dinner, but they did not expect the blue eye cod to be served on black noodles. The Chef advised the noodles were dyed with squid ink. It went well with the goats cheese and pumpkin soup.

#### Young Members!

Some of the under 30 brigade were invited to the last Committee meeting to organise a Young Members Task Force. It will be interesting to see their recommendations regarding Club activities.

#### Members Survey

An abridged version of the members survey was distributed at the Annual General Meeting. For those members who did not attend, extracts shall be published in the newsletter.

#### Television

Two sets have been placed in the Athletic Department together with a VCR. Will members on the treadmill run faster as they watch Jane Fonda tapes? Will breakfast wait a little longer if overseas sporting events are shown live?

#### Functions

Guests attending the "Launch of the Wallabies" function in the Club Room were summoned to their tables by a bugler playing 'come to the cook house door'.
